We Make Certification Easy!

WE MAKE CERTIFICATION **EASY!**

At ASI, we realize organizations' challenges in keeping up with highly regulated industries and ever-changing audit requirements. This is why ASI is dedicated to making your inspection or certification process as smooth as possible. ASI offers a full suite of safety and quality solutions to the food and beverage, dietary supplement, cannabis, and consumer goods industries to support your organization's efforts to maintain only the highest product safety and quality standards.

From the hard-working hands of those that create products to the consumer's hearts it warms; ASI is proud of the 90+ years of consumer protection that help the world be confident in knowing every ASI-certified product is another step forward in humanity.

MISSION & VISION

OUR MISSION

Our mission is to provide innovative, reliable, and trusted product safety and quality solutions to help our customers minimize risk, reduce recalls, and protect their brand and the health and well-being of their consumers.

OUR VISION

Our vision is to become our clients' trusted product safety and quality partners and help them reach success by increasing their consumers' confidence in their products.

OUR VALUES

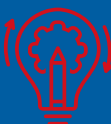

Accuracy – To provide the best and most accurate information possible.

Integrity – To honor our word, implied or given, on time.

Protection – To protect our clients' brand and image as if it was our own.

Development – To continuously improve to meet our client's demands.

Customer Service – To devote all of our resources to providing exceptional customer service.

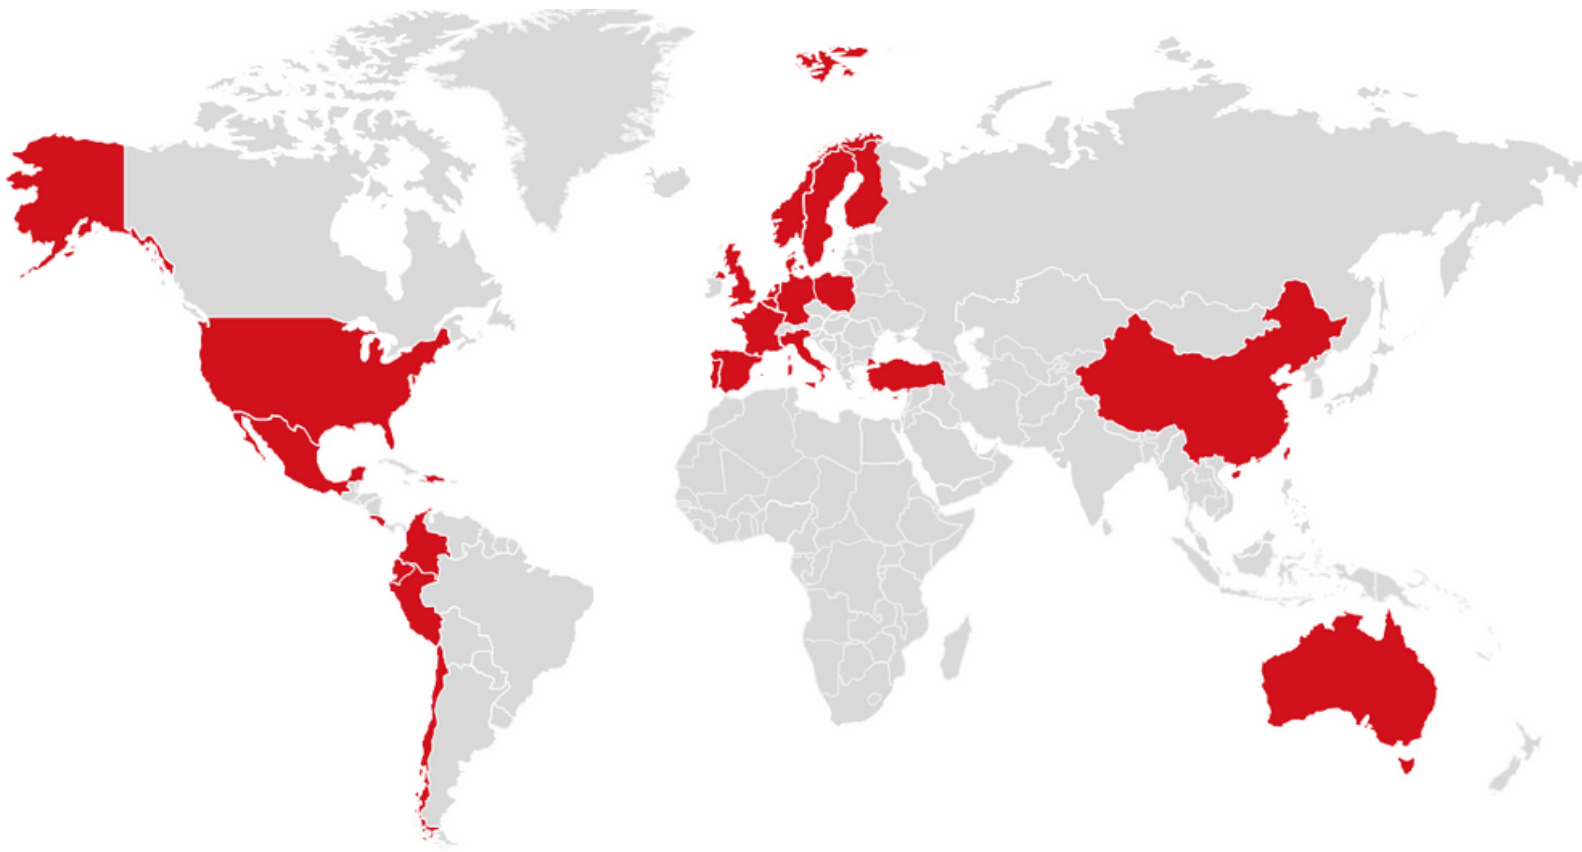

NOW A MEMBER OF KIWA GROUP

As of November 2022, ASI has merged with global Testing, Inspection, and Certification (TIC) company Kiwa Group. Kiwa is investing in ASI's growth as a new member of the Kiwa Group's global Food, Feed & Farm network. Together, ASI and Kiwa will collaboratively expand their reach and strengthen services both regionally and globally.

Kiwa already has a strong footprint in the global Food, Feed & Farm sector. With the addition of ASI, Kiwa significantly expands its reach, expertise, and footprint, particularly in the United States but with a global perspective. Now that Kiwa has welcomed ASI to the Kiwa Family, we can better provide our clients with a one-stop shop for food and feed related certification services.
